

RICHMOND LACROSSE ASSOCIATION

To whom it may concern,

I am writing to highly recommend the services of Connor Clough and X-treme Threads.

X-treme threads has been the designer and supplier of RLA's box and field jerseys for the past 6 years, and our clothing supplier for the past 2 seasons.

X-treme Threads has created some unique designs for the RLA and they have accommodated numerous revisions and modifications during the design stage to ensure our satisfaction.

It has been a pleasure to work with Connor and Randy due to their professionalism. The RLA has weighed our options and each time we come back to X-treme.

We will continue working with X-treme Threads as have recently ordered conflict jersey sets and pinnies.

Connor has always been happy to answer any questions and ensure the swift delivery of items. I highly recommend Connor and X-treme Threads.
