To whom it may concern;

We have been using X-Treme Threads for a number of years for many different products for our Intermediate A, Junior A, and Senior A programs and could not be happier with the level of professionalism, quality, and service we receive from Connor Clough.

The products produced are of the highest quality and the attention to detail is second to none. Connor has a great eye for design and helps to create unique one of a kind pieces that allow your team to stand out in a crowd.

The level of customer service is amazing, something that is extremely hard to find in this day and age.

I highly recommend Connor and X-Treme Threads for all of your team needs.

Thank you,

Christopher Bowman
President of Nanaimo Timberman
