To whom it may concern

The Vancouver Stealth organization has used Randy and Connor Clough at Xtreme Threads for the apparel and equipment bags for the 75+ kids that play in our summer Junior Stealth Academy program. In the 4 years of doing business with Xtreme Treads the orders have arrived as promised and the quality of the product is just as good as the apparel we get from the league sponsors with our professional team. The feedback from the kids and parents has been very positive.

Brad Hock

VP of Lacrosse Operations
