To whom it may concern

In regards to X Treme Threads and Randy & Connor Clough I would gladly recommend their services for any of your team clothing.

I've known Connor & Randy for over 4 years and I've worked with them on multiple project and designs for The Langley Thunder Box & Field Lacrosse Teams and also Ace's Lacrosse & West Coast Wolves Lacrosse and Rat Pack Pack Lacrosse to name a few Which I have involvement in.

Also The Langley Thunder Intermediate, Junior & Senior Teams Uniform were made by X Treme Threads.

X-Treme Threads has made me reversible jersey and short, travel bags, gear bags, back packs, shooter shirts, stickers, banner and many others Products which have also been great and always been happy with and their service and dedication to making sure I was happy was second to none and always meet or exceeded my expectations.

I will continue to use Connor & X Treme Threads for any other items I get made for these teams or future teams I have involvement.

Any question or feedback I can be reached at the following:
